Welcome to Pawley's Island

Pawley's Island welcomes the SCTC for the 2006 Summer Seminar. This picturesque and popular vacation spot will prove to be one of our new favorites. Located between Myrtle Beach and Georgetown, Pawley's Island has its own special place in our state's history.

With spacious meeting rooms and facilities, we have made plans for Coastal Carolina to accommodate us during the scheduled education times. Their conference center is located adjacent to the Hampton Inn.

Many of you who attended the Fall 2005 seminar commented that you enjoyed the impromptu technology presentation and requested a more detailed session. We have Elliott Davis Technology Solutions, a technology group that specializes in working with accounting firms, leading two sessions on Sunday from 5:00 to

7:00. They will focus on current and future needs relating to technology in our offices.

Spouses and guests are encouraged to attend. Miriam Berry and Cookie Cox are arranging some great outings during the session times for them to enjoy.

The seminar begins at 4:00 on Sunday afternoon and concludes at 5:00 on Tuesday. In addition to some of the SCTC's favorite speakers, there will also be speakers from Elliott Davis Technology Solutions, the Secretary of State's office, and others.

Make plans to attend this informative seminar. Also, remember to invite other tax professionals to take advantage of our referral incentive program, \$25 off your next seminar registration. ☐
